## GENERAL INFORMATION:

### Riverside Park Parking:

Handicap parking is located in the west end parking lot by the Territorial Capital. Entrance to this area is off Douglas Street. Handicap Parking will be located in this lot on Friday, Saturday and Sunday. Additional Handicap Parking will also be available on the East of Levee Street. Public parking is available on many of the public streets and in public lots north of Levee Street.

### Emergency & Security Services:

The 2009 Yankton Riverboat Days Board members and the Yankton Emergency Personnel will be available throughout the celebration for assistance. For first aid, emergency services or help with lost children, please go to the First Aide Station located near the Riverboat Days Information Booth. Diaper changing and baby feeding services will be located in the Territorial Capital building (second floor).

### Pets/Bicycles:

We respectfully ask that you do not bring your pets into the park during the fes-

tival hours. Additionally, we ask that you do not ride your bikes, skateboards, or rollerblades through the park. We ask that you park your bike in the racks at the edge of the park. There are no coolers allowed in the park. Please help us keep the park clean and help out the youth groups by placing your aluminum cans in any of the wire receptacles. There are many garbage cans located around the park. Again, please help us keep the park clean by using the receptacles provided.

### Information Center:

The Riverboat Days Information Booth has schedules and information on all of the events during Riverboat Days. A phone is available — however, calls are limited to emergencies only. Additionally, announcements will be limited to missing children, WE WILL NOT PAGE PEOPLE TO MEET AT THE INFORMATION BOOTH.

### ATM:

An ATM machine will be located near the Information Booth at Riverside Park.

ONE TEAM. ONE FOCUS.

## TOP 1% IN THE NATION IN OVERALL SATISFACTION FOR EMERGENCY CARE

For prompt, experienced and compassionate emergency care, the Avera Sacred Heart Emergency Department can't be beat — **and we have the numbers to prove it.** Compared to over 970 emergency departments nationwide, patients and families ranked the Avera Sacred Heart Emergency Department in the top 1% for overall satisfaction.

The Avera Sacred Heart Emergency Department is always open 24 hours a day, with physician coverage round-the-clock.
