

Orthopedic Institute – Yankton... Devoted To You, Their Patients

Compassion, dedication, and expert care from a renowned team of physicians have made Orthopedic Institute the largest and most experienced orthopedic specialty group in the region.

But it is more than their size and experience that sets them apart. It is complete devotion to understanding the needs of each individual that makes them unique. By using the most advanced medical technologies available, the physicians at OI are able to treat virtually every bone and joint in the body. They improve the quality of life for people of all ages, all walks of life, all levels of need. This ability to help people return to a normal, healthy, and active lifestyle has formed a unique bond of trust with thou-

sands of patients over the years.

Three specialists from Orthopedic Institute in Sioux Falls regularly make the trip to the Yankton Orthopedic Institute clinic, located at 1101 Broadway Avenue. Mitch Johnson, D.O., a neck and back specialist, sees patients on the second and fourth Tuesdays of the month. Robert Suga, M.D., specializes in adult neck and back surgery, including deformity and minimally invasive total hip replacement and general orthopedics is at the Yankton OI clinic the first Friday of the month, and Eric Watson, M.D., a foot and ankle and general orthopedic specialist, sees patients on the third Tuesday of the month. Appointments can be made by calling 665-0077.
