Vermillion Girls' Soccer Program Looks To Step Up After Strong Showing In '10

VERMILLION — Despite boasting a young roster, the Vermillion Tanagers girls' soccer team has high expectations after nearly beating some of the best teams in the state a year ago.

The Tanagers, who opened their season Aug. 20 with a loss to St. Thomas More, recorded ties with top-seed St. Thomas More and third-seeded Harris-

burg at last year's state tournament.

Now, for 2011, head coach Dave LaCombe sees his team as a potential threat come post-season time.

"I expect that we will start slow, but will eventually get better with more experience," LaCombe said. "I expect us to finish strong and be a tough contender at the state level."

Though nearly 70 percent of Vermillion's roster includes players between grades 8-10, the Tanagers bring back 14 players from last year.

Highlighting that group are three seniors, led by first team All-State goalkeeper Katie Wasley.

"Having her back, she will have a lot of pressure on her shoulders, but it's something she can handle," LaCombe said. "As a goalie, she does a tremendous job."

Also back are offensive threats Christine Eppling (Sr.), Shelby Gregoire (Sr.), Teddie Settles (Fr.), Tori Gregoire (Fr.) and Allie Mockler (Fr.).

"The girls are more educated and more experienced on the field," LaCombe said. "We should see great things from our offense."

Though, it will be on defense where the Tanagers could be a work in progress. The only returner to the defense is Kortni

Walker (Jr.).

First-year starters to that side of the ball will include Cheyenne Steemken (So.), Kelsey Meadows (Jr.) and Haley Freidel (Fr.).

"We lost 75 percent of our defense from last year, so that'll pretty much be an all new group," LaCombe said. "If I had to point to one weakness, defense could be it. We've introduced a new alignment, so the girls have been working on that."

Also on the varsity roster are Alexis Reich (Jr.), Alisa Soesbe (So.), Mackenzie Gale (So.), Au-

tumn Barnett (8th), Shantel French (8th), Katie Kost (8th), Cheyenne Mallory (8th) and Sophia Taggart (8th).

For the second year, Vermillion will also field a full junior varsity squad.

Coaching that team, in addition to assistant coaching duties on varsity, will be former Tanagers standout Hannah Nelich-Arroba.

The JV squad will include Sowmya Ragothaman (8th), Kayla Stammer (8th), Twila Sweeney (8th), Morgan Amund-

son (7th), Jaida Anderson (7th), Casey Druecker (7th), Bailey Gale (7th), Madie Gregoire (7th), Natalie Hertz (7th), Megan Hirsch (7th), Makenna Koble (7th), Bailee Mann (7th), Ole Manna-Ray (7th), Kayla Mulheron (7th), Maggie Peterson (7th), Madison Regnerus (7th), Abril Telleria (7th) and Sydney Tigert (7th).

"It just shows that our program is growing," LaCombe said.

The biggest focus for the Tanagers this season is to go out and take control of their matches and dominate the sets. The depth of the team this season will be a strong indicator of the teams

overall strength.

"Because we have so many kids that right now I think could start for anybody in the state, and right now we have nine or ten of them. So we are going to have competitive practices no matter what," said Billberg.

The competitive practices throughout the season will give the Tanagers a strong base for their games throughout the season.

"Maybe the first two weeks out of the season one or two groups of girls are really achieving well, but throughout the season others will step up. Because we are so solid top to bottom we are going to have competitive practices each week throughout the season. This is going to be high quality versus high quality and I think that is going to make us very competitive towards November," Billberg said.

Four other starters return for the Tanagers: Chayse Meierkort, Stetson Kastengren, Dan Goeden and Riley Vlasman.

Vermillion has been known to be a run-oriented team, and that

trend seems that it will continue this year. The Tanagers averaged rushing for just under 200 yards per game last year and passing for an average of 33 yards per game.

"To be successful at the high school level you have to run effectively," Culver said. "The running attack can then open the passing game and teams will be more likely to overplay the run on a play-action pass."

Their defensive philosophy is just the opposite. The Tanagers look to take the run away while on defense. Their base defense

will have a 4-4 look that crowds the line hoping to take away the run.

"If you can run the ball effectively on offense, and take the run away on defense you will be successful," Culver said.

The Tanagers open their season at home on Aug. 26 when they take on West Central at 7 p.m.

Culver is assisted in his coaching duties by Jay Drake, Jake Terry, Jason Gault and Alex Ourada.

some of the better teams that we've had over the years I don't really worry about what other teams have," he said. "We have no control over what everyone else is shooting. We're going to concentrate on what we have and how we can improve."
