

# How to rent a tuxedo

## *Do I need to make an appointment?*

You do not need to make an appointment, please stop in when it is convenient for you. However if you wish to schedule an appointment give us a call 605-664-9167.

## *Should all tuxedos match for a wedding party?*

Yes, it is very important that all men in a wedding party wear matching tuxedos. However, many brides prefer to have the groom wear a different color for the groom's accessories (vest and tie).

## *Do I have to return my tuxedo at the same store where I picked it up?*

No, you may return your tuxedo to any Tip Top Tux.

## *What if some wedding party members live in another city or out of state? How do I get them fitted?*

Any member of the wedding party can go into any Tip Top Tux across the country and provide the employees on duty with the group name. We'll take care of the rest.

## *Who should wear a tuxedo at my wedding?*

A good rule of thumb is to have all the men you want in your wedding photos wear tuxedos. Obviously the groom and his attendants should be in tuxedos, but you should also consider other family members, including fathers, brothers and grandfathers.

## *Why should I rent shoes?*

Do you really want to leave it to chance that everyone in the wedding party will have the appropriate shoes to wear with their tuxedo? Make sure your wedding photos turn out perfectly by having every man in the wedding party wear matching shoes.

## *Can I measure myself?*

We recommend that you do not measure yourself. You can have professional measurements taken free of charge.

## *When can my tuxedo be picked up?*

As they arrive, we will call the bride and groom so the attendants may come in for the final fitting. Earlier fittings are possible when the arrangements have been made prior to pick-up.

## *What happens if the tuxedo does not fit?*

All Tip Top Tux formalwear specialists are trained for onsite alterations (such as adjusting the sleeve or trouser length). In the event that an item needs to be re-ordered, Tip Top Tux will do everything possible to arrange for the item to arrive in the store by the event date.
