

4 Trends To Take Muted Interiors From Drab To Dreamy In 2024

(StatePoint) While neutral tones continue to be popular this year among home DIYers, bold and colorful surroundings also are trending right now. From adding dramatic style to the kitchen to giving an unexpected space a splash of color, these

ideas—inspired by the 2024 FrogTape Design Trends, as identified by celebrity interior designer Taniya Nayak—will make areas around your home pop in 2024. Colorful Kitchens. Make the kitchen a focal point by painting the cabinets or

panels on the island a vivid color. Calming blue will ensure a relaxed and laid-back feeling, while fuchsia will energize the design. Nayak recommends using FrogTape Delicate Surface Painter's Tape to prevent paint bleed and achieve crisp paint lines. The low-

adhesion tape is designed to prevent damage on surfaces like cabinets, freshly painted walls, wallpaper and more. Dynamic Décor. If painting projects aren't in the plan for this year, revive a living room or bedroom by adding a collection of brightly colored pillows and throws, bohemian-style macramé, wall art and a rug with geometric patterns. As long as the colors are complementary to each other, the blend of styles and textures will catch the eye and make the room feel refreshed with little effort. Nourishing Green. A simple, but effective, way to boost the mood of a space is to fill it with large blooms. Place a modern plant stand in an empty corner or between rooms as a divider, and layer in green houseplants or ones with colorful leaves on the shelves. Accentuate the greenery with pops of the same color throughout the

room to create a sense of cohesion. Elevated Exteriors. It's not just the interiors of the home that should speak to personal style, the outside should, too! Give the front door a facelift by painting it a daring color. Don't be afraid to choose one hue for the outside of the door and another for the inside. For this project, apply FrogTape Multi-Surface Painter's Tape before painting, so that trim around the door and

doorknob is protected from paint bleed. For more fresh decor ideas and design tips, visit FrogTape.com. Whether you choose one or all of these trends, they can be tackled by DIYers with a range of skillsets to transform dull living spaces into the home of your dreams.
