See & Do

Mount Marty University

MMU is a beautiful 80-acre campus along the bluffs of the Missouri River. Founded in 1936 by the Benedictine Sisters, it's a welcoming place to see a theatre production, concert, lecture, or sporting event. Visit beautiful Bede Hall to view historical artwork that tells the story of this institution's rich history. Stop by Bede Art Gallery to see regional artwork during the school year.

1105 W. 8th Street | (855) 686-2789

Pierre Dorian's Marker

Pierre Dorian was the first white settler in the Yankton area and considered Yankton's first tour guide! He lived among the Yankton Sioux at the time that Lewis and Clark passed through in 1804 and served as their translator with the indigenous people. Visit his historical marker to learn more about his story.
